You passed the Piscine!

Hello Mario,

First of all: Congratulations!

You have been selected to become a student at 42 Beirut! You now have the ticket to start your curriculum! We are super happy that you made it! The start date is June 10th, 9:42 AM. We will send you a separate mail with the steps to follow to confirm your place and attend a preparatory meeting soon. Meanwhile, we kindly ask you not to communicate this news on social media before that meeting.

We strongly advise that you make sure your administrative, health and financial situation is stable and compatible with full-time studies at 42 Beirut. The curriculum is demanding, and even though you can manage your time, a strong commitment is necessary in order to succeed. We also highly recommend not having a full-time job next to your studies. As explained during your Piscine, you are expected to come and study on-site.

Again, congratulations! And if you have any questions regarding your selection, do not hesitate to contact us.

We are looking forward to seeing you join the Curriculum. May it be the best time of your life!

We are really looking forward to start the next phase in our joint venture.

If you have any questions, doubts, or concerns please reach out to our Team by sending an email to info@42beirut.com.

Cheers,

The 42 Beirut Team
